on Euro Balm

JUST \$1.16 (R) PER PIECE!

Enjoy our lip balm in a twist-up applicator! This sophisticated product will stand out promotionally, as it follows the trend among top retailers like Maybelline® and Sephora® that offer this tube style. The euro tube also allows for a larger imprint area than traditional lip balm, with full-color imprinting on a clear or white label. We're confident both you and your customers will love it.
